## **INSTRUCTIONS FOR CHANGE OF NAME/ADDRESS**

### **NAME CHANGE GUIDELINES**

1. N.C. Gen. Stat. § 10A-13(b) states that within 30 days after changing names, a notary shall notify the Secretary of State of the change by submitting a name/address change form. The Secretary of State shall cancel the notary's commission under the old name, issue a commission under the new name, direct the notary to reappear before the Register of Deeds to take the oath of office, and direct the Register of Deeds to correct the Record of Notaries Public.
2. The change is made for the duration of the existing term of your commission. The expiration date will not change.
3. Upon receiving confirmation of approval of the name change from the Secretary of State Notary Public Section, the notary must reappear before the Register of Deeds to take the oath of office and sign the Record of Notaries Public. The Registers of Deeds fee for administering the oath is \$10.00.

### **ADDRESS CHANGE GUIDELINES**

If the county changes due to the address change, the notary may continue to use the seal or stamp for the previous county of commission and at the time of expiration re-apply for the county of residence.

PLEASE NOTE: Please allow approximately three weeks for the processing of applications.
